Organizers are responsible for the coordination of workshop participation and content, the confirmation of speaker attendance and the moderation/discussion. Coffee break catering will be provided.

You may apply for a half-day workshop full-day workshops.

Experiences show that participants are asking for more time for discussions and questions. The best format is to have coherent grouping of short talks and plenty of time for discussions (e.g. 30min talk + 30 min questions/discussions), but feel free to choose a format you think is best for your workshop. The only thing you need to integrate in your schedule are the coffee breaks (15:00-15:30 on Sept 12, 10:30—11:00 on Sept 13).

Note: For all accepted workshops the registration is free of charge for organizers and speakers. Organizers will also receive a waiver for the main conference fee. New this year: From the accepted workshops a maximum of ten workshops will be selected to each receive financial support of up to 1.500,00 €.
